

NETWORK BOX

The award-winning Network Box appliance is in the forefront of UTM (unified threat management), providing the next generation of firewall technology. Our global network of Security Operation Centers monitors, updates, and analyzes your Internet traffic 24/7. No matter the type of enterprise, we have a tailored security package to meet your requirements. And we have changed the way UTM appliances are now sold—you just pay a flat fee for the managed service, with no cost for the hardware.

Products Sold:

Managed security, including Internet security, monitoring services, threat analysis, and compliance.
